

# Finchingfield Village Hall

There are probably quite a few people in the village of Finchingfield who do not give a thought to the Finchingfield Village Hall which is in Bardfield Road.

Behind the scenes is a group of people from the village who are working to keep the hall maintained and running events such as The Xmas Fair which last year raised £866.22.

The Finchingfield Village Hall Committee has worked hard and last year we managed to get a grant so that the hall now has a new roof.

We are currently working on trying to get a grant to replace the kitchen, which will involve planning what is needed and getting quotes for the work involved. Are there any local kitchen fitters or companies who would like to get involved in this?

We are also looking into having the Village Hall car park improved with hardcore and tarmac. Is there anyone in the village/surrounding area who could give a quote on having this done, if so, please contact Alec James on the 'phone number below?

The hall now has a County Broadband mast put on the roof and it has got free wi-fi. We are starting a free Broadband surgery in the Village Hall, which will start on the second Monday of each month, starting on Monday 11<sup>th</sup> May from 11 a.m. to 1 p.m. So if you would like to find out how to order medicine from the Freshwell Surgery, order shopping via the Internet etc. please bring your laptops or I-pads and find out how to do this.

If anyone wishes to join our friendly Village Hall Committee they would be very welcome and we usually meet once a month. Contact Alec James on 01371 810550 or via the e-mail [finchingfieldvh@hotmail.co.uk](mailto:finchingfieldvh@hotmail.co.uk).

The Village Hall is for the use of the people of our village and people from the surrounding area are very welcome.

There are various activities which are run each week and these are listed in the Regular Events page in The Villager magazine each month.
