

Braintree District Council - PSPO Vehicular Nuisance Consultation

I would like to introduce myself as the Community Safety Officer for Braintree District Council. I am reaching out to inform you of an important initiative that Braintree District Council is currently exploring to address anti-social behaviour linked to vehicles across the Braintree district.

Braintree District Council is currently consulting on the proposal for the implementation of a district wide Public Spaces Protection Order (PSPO) aimed at tackling persistent vehicular related issues such as nuisance driving, car meets and other vehicle-related disturbances that negatively impact our communities. This measure is intended to support safer and more peaceful public spaces for all residents.

To respond to the consultation, please use the following link: [Consultation – Public Spaces Protection Order \(PSPO\) – Braintree District Council](#)

If you have any queries relating to the above, please email PSPOConsultation@braintree.gov.uk.

Kind Regards,

James Scott

Community Safety Officer
